

Y6 Learning Journey
Week Beginning 18/12/17

RE- Expectations

We have spent this week focusing on our RE topic expectations. We are all excited because we can see the light on our Advent Wreath has grown really bright. We are now waiting with joyful expectation to celebrate the birth of Jesus.

On Monday, we went to Cineworld in Middlesbrough to watch the new Nativity film 'The Star', it was a fantastic way to begin our Advent celebration week.

We helped prepare a school Collective Worship on the theme of Jesus in our hearts.

We also invited our parents into class to take part in our Expectations Class Collective Worship. It was wonderful to celebrate with parents.

Parents and parishioners were invited to share in Carols around the Tree with the whole school. This was a wonderful end to our school Advent preparations.
