

Y6 Learning Journal

Week Beginning 25/9/17

RE-Loving

We have all spent time reflecting on our current topics Big Question. We have discussed the importance and need for unconditional love. This week we focused on the parable of the Prodigal Son- making links between this and God's unconditional love. We completed our Loving topic by celebrating with a focused class collective worship on the theme of Loving.

Numeracy

In Year 6 we have developed our knowledge of decimal multiplication calculations, during our morning arithmetic sessions. In our numeracy lessons, we have reasoned with factors, common factors and prime numbers.

Literacy

We have been learning all about how to write an explanation text. We have researched aspects of the flora and fauna found around different areas of the River Tees, and produced a detailed explanation text. We presented these to our class mates and gave constructive feedback.

Macmillan Coffee Morning

Some Year 6 pupils, along with members of the Chaplaincy team, helped Mrs Taylor during the Macmillan Coffee Morning. Lots of parents helped support this marvellous event.

Hemlington Police Visit

The local community police offices visited the Year 6 pupils and spent some time talking about the local area and how they can keep it a safe and inviting place to live!
