

## Year 1 - Week Beginning 27th March 2017

### Literacy

This week the children put on their reporters hats and researched about the Great Fire of London. They went to trainee News Reporter Classes to learn the important skills. We used eye witness accounts, the diary of Samuel Pepys and historical fact files to write our own newspaper report.

### Numeracy

In numeracy, we started to explore measurement. We looked at weight and time.

### History/Art

Using different materials we designed and made a Tudor style house in the style of those burnt in the Great Fire of London.
