

Literacy

This week we invited out parents in to hear our fantastic news reports and diary entries from the Great Fire of London. We played it's a Knockout against our Parents and Carers on the topic of London. We impressed them with all the facts and information we had learnt. Yes Year 1 children won!

Numeracy

This week in numeracy we have completed revision and have taken part in assessment activities. Mrs Sherwood says we are making great progress.

Computing/Geography

This week in Computing we learnt how to get online, search for an image and copy and paste the image on to a word document. It took a lot of concentration and the following of instructions.
