

## Year 1 Week beginning 12th June 2017

### RE

We started a new topic this week, Being Sorry. For Christians it is important to make choices that reflect love and forgiveness. There are times when we need to be sorry for making wrong choices. This week the children explored examples of good and bad choices and the story of Levi the tax collector.

### Literacy

It's been all about Phonics this week. We have been practicing our segmenting and blending strategies in readiness for the National Phonics Screening test. We all tried our best and Mrs Sherwood was very proud of us all.

### Literacy/DT

We were very lucky to have Mrs Druery come back in to Year 1 and help us make snakes in mud. We used the basic skills of mixing, scooping and tearing to make the yummy snacks. We wrote up our own menu instructing people how to make the Snakes in Mud.

### Maths

Over the next two weeks we are problems represent a division problem by sharing and grouping and grouping objects in to arrays to solve problems.

### Creative Curriculum/Science

Our new topic this half term is Wriggle and Crawl. We explored our school field and play areas to identify and classify minibeasts we found. We loved digging in the mud to find worms and ants. Lifting stones to find woodlice and shacking the leaves to find ladybirds and tiny flies. We recorded our findings on a table and map a map of the area.
