

RE-Baptism

We started a new topic on about Special People this week. We will be exploring people who are special to us at home, in school and in the church.

Literacy

This week we have been ordering instructions in chronological order. We wrote our own instructions on how to make a friendship bracelet to share with a friend during Anti-Bullying week. . We used time connectives and imperative verbs.

Numeracy

In numeracy we progressed our learning on to subtracting double digit numbers from single digit numbers. Some of us really challenged ourselves and 'had a go' at subtracting double digit numbers from double digit numbers.
