

RE-Baptism

We continued to explore the sacrament of Baptism. We discussed the importance of the main symbols of Baptism and their meaning.

Literacy

We read a poem by the children of Ormesby Primary school. This inspired us to illustrate the poem and come up with some great adjectives to describe our favourite Middlesbrough landmark the Transporter Bridge and write our own sensory poem.

Numeracy

Mr Bond helped us to remember our addition and subtraction number bonds to 10 this week. We chose the best person to be Mr Bond who had to catch 10 robbers.

River Tees Day

We had great fun in our houses going around the art workshops on our River Tees Day. We especially loved re-creating our own song to the 80's classic the River by the King Trigger.
