

RE- Special People

We started a new topic this week., Special People. We talked about people who are special to us and why. In our books we drew pictures of people special to us at home and at school.

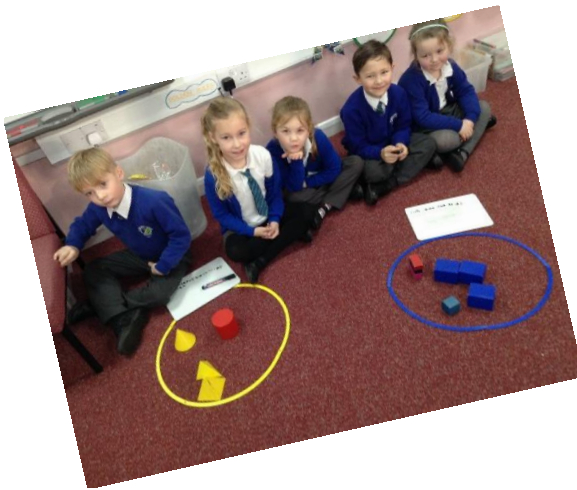

Literacy

We had a special visitor this week in Year 1. Una came all the way from the Stone Age to talk to us about how people hunt, farm and make clothes. We got to hold lots of artefacts and ask lots of questions. We wrote a recount about her fabulous visit.

## Numeracy

We continued to explore 3D shape. We sorted the shapes using our own criteria.

## The Stone Age

We are enjoying exploring our new topic, The Stone Age. We built Stone Henge in our construction area and described the properties of the shapes we used. Our new reading cave is very popular.
