

Y6 Learning Journey

Week Beginning 26/3/18

Holy Week

We have spent this week journeying through Holy Week and preparing for the celebration of Easter.

We took part in a whole school daily collective worship- prepared and delivered by different classes. We walked with Jesus towards his death.

We then celebrated Jesus' resurrection.

RE- Death and New Life

We celebrated the end of our topic by inviting parents into class to share in a special class collective worship. We thought very carefully about what we wanted to include in our celebration- we focused on choosing a hymn and a reading which we all feel shows the true message from Jesus.
