

**Y6 Learning Journey**  
**Week Beginning 5/2/18**

**RE- Unity**

We are really excited about our new RE topic **Unity**. We have thought in detail about the ways in which can be united with one another. We have produced some creative work on being part of **One Body in Jesus**.

**Numeracy- End of term reviews**

We have spent this week reviewing our mathematical understanding. We have all completed and reviewed a number of numeracy tests so that we know which areas we are confident in and which areas we need to focus on after the half term. We are all working really hard aiming to make great progress, especially with our reasoning skills!

**Literacy- End of term reviews**

We have spent this week reviewing our reading, punctuation & grammar and spelling understanding. We have all completed and reviewed a number of literacy tests so that we know which areas we are confident in and which areas we need to focus on after the half term. We are all working hard at increase our reading rate so that we can tackle more of the questions in the end of Y6, challenging tests.

### **Step-up -Secondary Transition**

Mr Foster has been coming into school and working with us on a number of different topics. We have talked about democracy, anti-social behaviour and racism.

We love our sessions with Mr Foster and are becoming more aware of how we will be expected to contribute to our World Wide Community.
