

Y6 Learning Journey
Week Beginning 23/4/18

RE- Witnesses

Jesus' Disciples were witnesses to his work on the Earth. We have been thinking about what they did to spread the Good News to everyone.

Numeracy- Describing Change

We are continuing to develop our arithmetic skills, focusing on efficient methods, accuracy and speed!

We were introduced to performing reflections, translations, rotations and enlargements in all four quadrants -for a range of shapes.

Revision for SATs has focused on number facts and skills.

Literacy-The World Cup/ Kensuke's Kingdom

We have continued to develop our writing skills, focusing on informal letter writing. We enjoyed sharing our final drafts with the rest of the class.

We have continued to read our new class novel Kensuke's Kingdom. So far we are really enjoying it. We can't wait to read on! We have used this to support our writing tasks.

Art- Kensuke's Kingdom

We used our Kensuke's Kingdom novels to help us identify different aspects of the novel which we wanted to illustrate. We have used some of these as part of our Kensuke's Kingdom display.
