

## Y6 Learning Journey

Week Beginning 30/4/18

### RE- **Witnesses**

Jesus' Disciples were witnesses to his work on the Earth. We have been thinking about what they did to spread the Good News to everyone and which people in particular were tasked with this witness.

### Numeracy- **Proportional Reasoning and Revision**

We are continuing to develop our arithmetic skills, focusing on efficient methods, accuracy and speed!

We have looked at a range of proportional reasoning problems and are now good at solving different scaling problems.

Revision for SATs has focused on fractions and decimals.

### Literacy- **The World Cup/ Kensuke's Kingdom**

We have continued to develop our writing skills, focusing on narrative writing. We worked really hard to produce some fantastic short stories, based on being lost on a desert island. We enjoyed sharing our final drafts with the rest of the class.

We have continued to read our new class novel *Kensuke's Kingdom*. So far we are really enjoying it. We can't wait to read on! We have used this to support our writing tasks.

### Art- **Kensuke's Kingdom**

We used our *Kensuke's Kingdom* novels to help us identify different aspects of the novel which we wanted to illustrate. We have used some of these as part of our *Kensuke's Kingdom* display.
