

## Y6 Learning Journey

Week Beginning 11/6/18

### RE- Common Good

We celebrated the beginning of this new half term with a class collective worship. We focused on the fact that it will be our last few weeks in St Gerard's and we prayed for guidance and support over the next few weeks. We talked about how we can spread goodness in the world.

### CARLTON Residential Week

Most of the class spent the week at Carlton Outdoor Residential Centre.

They all had a fantastic time!

See the Carlton Class Page

### Art- Creative Work

Those children who did not go to Carlton spent time producing some fantastic creative work linked to the World Cup. They also produced some collages of the Creation, which are to be displayed in St Mary's Cathedral.

### PE- Team Building

Some pupils spent time working on a number of team building games/skills. They all had a fantastic time. They were exhausted by the end!
