

## Y6 Learning Journey

Week Beginning 18/6/18

### RE- **Common Good**

We celebrated with a class collective worship. We talked about how we can spread goodness in the world. We looked at the CAFOD website and discussed how we can be fair and just.

### Geography/ICT-**Mapping Skills**

We developed our geographical knowledge of the world, by studying in detail the world map. We had great fun locating all of the countries who are taking part in the World cup either in an atlas or on a digital map- using the I Pad.

### PE- **Y6 Trinity Sports Transition Day**

We had a fantastic day at Trinity Catholic College where we took part in a wide range of sporting activities, including: bind football, orienteering, tennis dance and athletics.

### PSHE-**NSPCC**

#### The NSPCC Visit St Gerard's

On Wednesday 20<sup>th</sup> June, two ladies (who represented the NSPCC) came into school to talk to all of the children in KS2. Everyone learnt about how they can keep themselves safe. We also learnt what they could do, and who they could contact, if we felt unsafe or unlooked after. We, in Year 6 spent some extra time discussing important Wellbeing issues, and how they can deal with them if they feel vulnerable.
