

Y6 Learning Journey

Week Beginning 25/6/18

RE- **Common Good**

We celebrated the end of our topic with a class collective worship. We continued to look at the CAFOD website and discussed how we can live our lives following the Beatitudes.

Friday was the feast of St Peter and St Paul so we went to a special mass at St Mary's Cathedral.

Sports Week

We have all had a fantastic time during our Sports Week. We took part in a fantastic range of activities: croquet, athletics, dance, boot camp, orienteering, dodgeball and golf.

Our parents were all invited, at various times during the week, to watch us participate. They loved it.

Monday

The week began with a wonderful Opening Ceremony. We led the parade of flags (we had made large and small flags for the countries in groups A and B.

We had also rehearsed a Russian Polka dance- we were brilliant at it- which we performed for the whole school and many parents.

We also took part in orienteering and dodge ball- which the Sports Crew planned and delivered.

Tuesday

We started the day by making our healthy snacks. We made meringue nests, using: small but delicious meringues, succulent strawberries, blueberries and natural yoghurt. They were delicious.

Throughout the rest of the day we worked on a range of sporting activities such as croquet, golf and boot camp. We were kept very busy!

Wednesday

What a fantastic day! We had a shared sports day with all of the children from Sacred Heart School. As well as numerous sporting activities/events we all had a shared picnic on the field at lunch time. It was a wonderful day.

Thursday

We started the day with a fantastic inter-house football tournament. The sun shone brightly- just as we did.

Parents were invited to support us during our awesome athletics afternoon. We put in a tremendous amount of effort to make sure that we performed to our best.

Friday

Sadly, Friday arrived and our Sports Week had come to an end. Our final competition was inter-house hockey competition. We have really developed our hockey skills this year and it gave us the opportunity to show them off- in a competitive event. We are now looking forward to developing these skills even further, when we transfer to our chosen secondary schools.

We celebrated with a great closing ceremony.
