

Year 5 - Week Beginning 10th September, 2018

R.E. - Loving

This week we designed our own prayers about love. We read Psalm 136: 1 5 9 23-26 and thought about difficulties we may face today. We thought together about how this scripture may help and support us.

Writing - Non-Chronological Report

We have written some amazing non-chronological WW1 reports this week! We used our research and planning to help us structure a fantastic, informative piece of writing!

Numeracy

During our Numeracy lessons this week have rounded numbers to 10, 100, 1000, 10,000, 100,000 and 1,000,000.

History

We have created our own WW1 timeline today. We used iPads to help us research the information we needed and organised the key events onto a timeline. We worked in groups and demonstrated excellent communication skills.
