

## Year 5 - Week Beginning 17<sup>th</sup> September, 2018

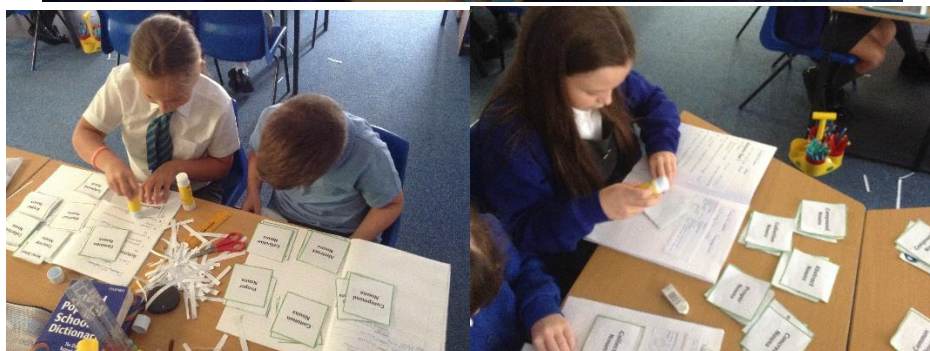

### R.E. - Loving

This week we took part in a whole school welcome mass. We celebrated the start to the year. We thought carefully about the *Gospel* which talked about love and listened to the words of Monsignor Gerard.

### Writing

This week, in SPaG, we have focused on the different types of nouns. We organised the noun types into mini booklets then thought of nouns to match each type.

## Numeracy

We have been busy this week finding factors of numbers of then common factors.

## Art

This week Y6 have taken part in an art day. We have used clay, water colours and pencil to create some amazing finished pieces which have focussed on our topic, WW1!

## Football Tournament

St.Gerard's are so proud of our Y6 girls winning the football tournament they took part in this week! Well done girls!
