and by working together we will educate and inspire each child.'*

Dear Parents,

During the month of May 2019, children in Years 2 and 6 will undertake the end of Key Stage assessments, SATs.

Children will undertake tests in reading, spelling, punctuation and grammar, mathematics as well as having to complete a number of pieces of writing which will be assessed against set criteria.

In order for you to understand the expectations of the assessments and the work which your child will be covering this year, we have arranged some information sessions for parents to enable you to fully support your child during this important school year.

The sessions will be held on:

Year 2: 2.30pm Thursday 11th October

Year 6: 2:30pm Wednesday 17th October

It is important that a family member for each child attends one of these information sessions – if a parent is unable to attend, please ask a grandparent or other relative to attend in their place so that all families are represented.

Please complete and return the slip below by Monday 8th October to indicate which session will be attended.

Many thanks,

Miss L Muttrie
