

Year 6 - Week Beginning 1st October, 2018

R.E. - Loving

This week Y6 have focused on the story of the Prodigal Son and discussed the theme of forgiveness.

Reading

We have really enjoyed reading a range of letters from the WW1 trenches. We have identified the features of informal letters and have planned our own. We are really excited to begin writing them next week!

Numeracy

We have been busy creating formula for linear sequences! We enjoyed this challenge and had a great understanding by the end of the lessons.

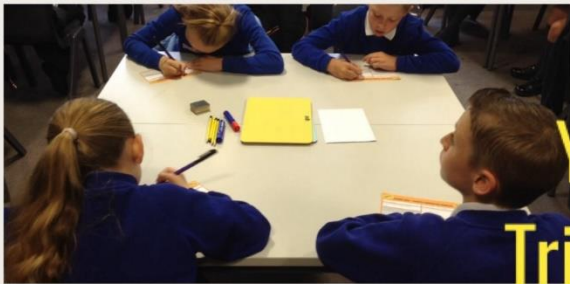

Art

This week Y6 have painted the clay poppies in honour of all the soldiers who have died in the war. These will go towards our whole school display in the entrance hall.

Trinity Taster Day

We were given the opportunity to take part in a taster day at Trinity. We had a great time taking part in a creative writing lesson all about fireworks!
