

## Year 6 - Week Beginning 24<sup>th</sup> September, 2018

### Writing

Our poems were called 'Inside the Box' and we wrote as if we were a grandad, opening a memory box from the time we served in the war. Amazing final pieces by year 6! Well done!

### Numeracy

This week we worked hard with number sequences and missing number in these sequences.

## Eden Camp

As part of our World Wars topic, we were lucky enough to take a trip to Eden Camp. We had a fabulous day! We will take our experience back to the classroom and it will really help bring our learning to life!

## Sports Coach - Circuit Training

On Friday, we took part in a fun circuit training session. We also completed a sponsored run which raised funds for our school.

Year 6 enjoying their sponsored fitness session this morning
